Contact us at info@aharvestofhope.com

Proceeds from the event will benefit:

SAVANNAH'S ORGANIC RANCH

Savannah Sacher's dream to become an organic rancher began while she battled an extremely rare and aggressive cancer of her heart. It was her desire to educate other children on how eating healthy, organic foods and growing them in a sustainable, environmentally -friendly manner benefits our bodies as well as the earth we share.

For more information on his work please visit, <http://www.aharvestofhope.com/>.
